

# "Thank you for looking after her, she's

<http://romantic.valentine.xblog.in>

The following Monday, Mellie went back to her classes. Friends teeming her in every assort, asking to sign her cast or how she was feeling. Everyone was overly friendly, and Mellie grew tired by the end of the day. She was thrilled when classes were over. It gave her room to breathe and think. Bobby had smiled at her during
